Re: Bermite Closure Meeting

Gentlemen:

I would like to thank you both very much for your time yesterday in meeting with us and with representatives of the prospective buyer of our Bermite property.

I know, with your fiscal year ends approaching, that you are both particularly busy and I appreciate your rearranging your schedules to meet with us on such short notice. This, to me, is indicative of the high level of cooperation we have received from the various members of your two staffs on this project during the last year. I am confident that with this level of mutual effort we will resolve our remaining problems for the benefit of all.

Again, my sincere thanks.

Very truly yours,
